1958 Bond Drive Seeks Maximum Support For Economic Development Projects In Israel

Bertram Loeb

Elected National United Israel Appeal Chairman

Bertram Loeb, a National Vice-President of the Zionist Organization of Canada has assumed the key position of National Chairman of the United Israel Appeal in Canada. The United Israel Appeal has primacy over all fund-raising on behalf of Israel in this country.

In his new post, Mr. Loeb will be in close contact with every community in Canada in an effort to increase the level of support for the United Israel Appeal and its important work.

He has just returned from his seventh visit to Israel where he met with government and Jewish Agency leaders and visited some of the latest settlements for immigrants established with U.I.A. funds.

Mr. Loeb has an intimate knowledge of the problems which confront the young state and will bring his years of experience in the leadership of the United Jewish Appeal and the Israel Bond Drive to bear on the major responsibility he has now undertaken.

He leaves on a speaking tour of Western Canada in October where he will address a number of communities holding fall campaigns.

To Plant Mile of Trees in Memory of Samuel Kizell

Several weeks ago the Jewish National Fund of Canada announced that a Mile of Trees would be planted in Israel in memory of the late Samuel Kizell, whose untimely passing earlier this year touched the entire community.

The late Mr. Kizell was deeply devoted to Israel, to Jewish education and to all communal endeavours. As Chairman of the Ottawa J.N.F. Council he was responsible for the fact that so many people commemorated simchas in their lives by planting trees in Israel.

Alex Betcherman, Honorary Chairman of the Sam Kizell Memorial Project reports that the response has been most gratifying.

VISIT TO ISRAEL FIRST OFFICIAL ACT OF NEW ZOC PRESIDENT

In his inaugural address, Lawrence Freiman, newly-elected President of the Zionist Organization of Canada dedicated himself and the organization he will lead for the next two years to greater efforts on behalf of Israel and the Zionist ideal.

Within three weeks of the historic Toronto Convention which swept him into office, Mr. and Mrs. Freiman were on their way to Jerusalem to pay their respects to Prime Minister David Ben-Gurion.

A round of conferences with government and Jewish Agency leaders gave Mr. Freiman the "objective assessment of the situation" on which he and his colleagues will base the immediate and long-term program of the Canadian Zionist movement.

During their stay, Mr. and Mrs. Freiman were received by General Dori at the Haifa Technion; were feted at lunch by the Board of Governors of the Hebrew University, and were the guests of honour at the closing exercises of Hadassim, Canadian Hadassah's model children's village in the Sharon Valley.

They also travelled throughout the country and visited new settlements, factories and other economic developments made possible through United Israel Appeal and bond dollars.

Keren Hayesod Presentation

Recognition of Mr. Freiman's life-long devotion to the upbuilding of Israel came in the form of a presentation of an album of original photographs of the new Israel by Eliahu Dobkin, Chairman of the Board of Directors of the Keren Hayesod.

The occasion had particular significance for Mr. Freiman since

Lawrence Freiman

it recalled a similar presentation of photographs of Palestine made to his parents, Mr. and Mrs. A. J. Freiman in 1932 by Leib Jaffe, then head of the Keren Hayesod.

The citation which forms part of the album embossed with the insignia of the State of Israel reads as follows:

"To Mr. Lawrence Freiman who has played a vital role in the support of the Keren Hayesod — United Israel Appeal — we gratefully present this album of photographs. It is our sincere hope that this token of appreciation will serve as a lasting memento of your part in the upbuilding of Israel." Signed: Eliahu Dobkin, Chairman, Board of Directors, Keren Hayesod.

Talmud Torah, Gymnasium Plans Nearing Completion

At press time, the architects report that they are making every effort to complete the plans for the Central and West End Talmud Torahs, the gymnasium and remaining Community Center facilities so that tenders can be called as early as possible this fall.

Shofar Call Ushers in High Holy Days Sunday Evening at Sundown

Sunday evening at sunset, Jews the world over will usher in Rosh Hashanah and will mark the inception of the Jewish New Year 5719. In a solemn and reverent manner, Rosh Hashanah begins the Ten Days of Penitence which culminate in the fasting and in the religious services of Yom Kippur, the Day of Atonement.

This year, Rosh Hashanah begins at sundown on Sunday evening, September 14 and ends after sundown on Tuesday, September 16. The Hebrew calendar records the beginning of the Holy Day as the first of Tishre, 5719. Yom

Detailed plans for the West End building including the Talmud Torah and the first portion of the new Synagogue are more advanced, and it is understood that these will go out to contractors for bids within the next few days.

Contributors to both the Community Center Completion Campaign and the Agudath Israel Building Campaign are urged to remit the current payment on their pledges so that the borrowing position can be strengthened when it comes time to draw on bank financing.

Kippur begins at sundown, Tuesday, September 23 and ends after sundown on Wednesday, September 24.

Emphasizing especially man's ability to seek conquest and for return to the path of salvation, Rosh Hashanah also proclaims God's Sovereignty over the Universe and the lives of men and nations. It is during this "Day of Judgment" when the Lord, "like a shepherd causes the souls of his flock to pass before him," that all men are urged to review their deeds of the past year and to pray for His forgiveness. This message gives the holiday a universal motif.

Backed by the full support of the Executive Committee of the State of Israel Bond Drive in Ottawa, Maurice W. Wright, newly-elected chairman of the 1958 campaign, pledged an all-out effort to equal, and even to surpass, last year's total sales of more than \$200,000.00.

Addressing the first Executive Committee Luncheon meeting on August 25 at the Jewish Community Center, Mr. Wright discussed the urgent need of increasing Israel Bond sales throughout Canada, and to help set up the large number of new communities in Israel to absorb the many immigrants.

Lawrence Freiman, President of the Zionist Organization of Canada and Honorary Chairman of the local Israel Bond Committee, discussed present conditions in the Middle East and described Israel Bonds as being a vital phase of the work of the Zionist Organization of Canada.

Moshe Erell, First Secretary of the Embassy of Israel in Canada, urged the Ottawa Jewish Community to strengthen Israel so that the young democracy may overcome the difficulties within and around the country. Israel Bonds, according to Mr. Erell, represent the answer to many of the economic problems facing Israel.

Program Highlights

Among the highlights of the program submitted by Mr. Wright were the following: Yom Kippur Appeals in all Synagogues; parlor meetings for various groups; luncheon meetings for businessmen; testimonial tributes to outstanding men and women in the community; Blitz Day; and an official closing ceremony for the presentation of BIG Wheel Pins and other awards at the Embassy of Israel.

Mrs. Greta Cohen, Honorary Chairman of the Women's Division, extended congratulations to Mr. Freiman upon his recent election as President of the Zionist Organization of Canada, and expressed the promise of wholehearted co-operation of the Women's Division in the 1958 campaign.

Succoth Observed Sept. 29 to Oct. 7

The Festival of Succoth begins on the evening of the 15th day of Tishre, corresponding this year to Sunday evening, September 28. It is observed for nine days of which the first two and last two days are full holidays and the intervening days half holidays.

Referred to also as the Festival of Booths or Tabernacles, Succoth is a reminder of the forty years wandering of the children of Israel in the wilderness after their deliverance from Egyptian bondage. During that time they were compelled to live in tents or building booths wherever they stopped.

The succah or booth is a little tabernacle built of wood or canvas and is covered with branches of trees and plants so that the heavens and the stars are visible overhead.

In ancient Palestine, the festival was celebrated by giving thanks to the Almighty for the bounties of the land. The Pilgrim Fathers in America after they had gathered in their harvest set aside a day which they called Thanksgiving. Steeped in the knowledge of the Bible they based their Thanksgiving day on the Festival of Succoth.

The eighth day of the festival (Monday, October 6) is called Shemini Atzereth (the Eighth Day of Solemn Assembly). On that day the Scroll of Ecclesiastes is read to remind people of the transient character of life, memorial services for the departed are recited, and a prayer is offered so that the earth may produce bountiful crops next year.

The ninth day, Simchas Torah is the most joyous day of the festival as it marks the annual completion and commencement of the reading of the Law in the Synagogue.

A HIGH HOLY DAY MESSAGE

by Rabbi Simon L. Eckstein

As we approach the year 5719 of Jewish history, it is my fervent prayer that the members of our community will participate wholeheartedly in the High Holy Day spirit. Many of the events of world history during the past year have shaken our confidence. Who can deny that our age, though majestic in its technical and scientific advancements, is at the same time one of disillusionment.

Enormous strides have been made in the spheres of all sciences. Undreamt of powers of nature can be harnessed to the service of man to satisfy his needs and comforts. We possess all the means necessary to make mankind happy and raise its standards to great heights.

And yet even after the convulsion of the most devastating of all wars, we are in the throes of those follies which brought so much suffering upon mankind. Alas, in too many places mankind has drifted from freedom to oppression, from the sanctity of human rights to hatred and mistrust.

The nations are locked in endless dispute and the clouds of misgiving hang over their deliberations. The auspices under which the State of Israel is being treated has little to do with the idealism of great statesmen in their vision of a Jewish renaissance as an "or lagoyim", as a blessing for all mankind. Might still dominates the stage and the onlooking world watches in amazement how with breath-taking speed the ideals, promises and charters, born of common distress, are discarded with impunity. Confidence is giving way to fear, fear that yet another mistake may rob us of the fruit of peace to which our sacrifices entitle us. As we look about us and behold the tensions, anxieties and gloomy forebodings of men and nations, it is not difficult to become mired in the depths of despair.

However, as members of an ancient people and a millennial faith, as Jews whose ancestors witnessed the recurring rise and fall of human hopes and aspirations we especially must preserve our perspective. We must retain confidence in our own moral resources and those of our fellow men which will help us become the active determinants of our destiny. The confidence of the Jew is rooted in the Divine Word which is beyond time and must not be moved by the vicissitudes of the moment. Let us try to gain a wide vista of human affairs, one that is circumscribed by the whole range of our unique long history and is lifted above the incident of the day by dint of our timeless philosophy of life. Let none be persuaded by the pessimist or the non-believer that our prophetic promises for Israel and humanity were but a vapour which the storm of our time has dispersed.

Though moments of doubt and fear may at times creep into our consciousness and the sad realities may be prone to undermine our faith, we should indeed be lost if we lost trust in G-d or man. During the "Yomim Noraim" the awe-filled days of our High Holy Day season we have a golden opportunity to strengthen our wills and to replenish our fund of moral energy. We have not only the memories of our past to inspire us but the record of our present to challenge us. The valiant leaders and citizenry of the "moleket", our Homeland, have demonstrated how strong and confident men may become if they are propelled by an allegiance to a faith and motivated by the lodestar of a hope and dream.

Let us then enter the portals of our Synagogues with receptive hearts and minds attuned to the eternal message of our dynamic faith and Israel's saga. The New Year should be entered with prayer and resolution; resolution that we shall shoulder our responsibilities and redouble our efforts in the cause of Torah, Israel and humanity; prayer that the coming year may dispel the dark clouds which hang so heavily over Israel and our confused world. May the New Year initiate an era of mutual trust and real peace among the nations of the world; and to our brethren behind the iron curtain may the New Year bring the Exodus of Redemption and the dawn of a brighter future.

Ketivah vehatima tovah.

May the Almighty grant unto you and your loved ones a New Year of health, happiness and rich fulfillment.

A Message For The New Year

by Lawrence Freiman
President, Zionist Organization of Canada

The traditional pattern of Jewish life persists. As Jews throughout the world gather for the High Holy Days, they have always taken time to pause and reflect. This year all Jews assessing the past year will take pride in the achievements of Israel in its tenth anniversary.

In the synagogues the hearts of Jews everywhere will be filled with humility and gratitude. Prayers will go forth with warm reverence for His beneficence and blessings for Israel's next decade. It is a time surely for contemplation. In the complex of the Middle East, as Israel stands with enemies at its every border crying for its destruction and the annihilation of its people, with the councils of the world deliberating at the United Nations possible solutions in the area, let us take heed as did Joshua:

"Be strong and of a good courage, be not afraid, neither be thou dismayed;"

Let us then face the New Year with this admonition and go forward together with good heart and renewed vigor for the tasks ahead and for the achievement of our common goals — a secure Israel, free from the constant threats of war, furthering the development of its economy, enriching its culture and thereby contributing to the creative development of Jewish life everywhere.

Philosophy Group Holds Final Meeting of Year

The study group on Jewish Philosophy and Ethics sponsored by Agudath Israel Synagogue completed its third successful year of activities on June 25 under the leadership of Rabbi Samuel Burstein.

Interest in the lectures has remained high, resulting in a good turnout at the informal meetings which were held twice a month at the homes of the members. During the year 15 meetings were held with an average attendance of 15.

Rabbi Burstein's lectures covered such subjects as Chassidism, Zionism, the Conservative, Orthodox and Reform movements and dealt with the more important figures associated with them. As in previous years, notes taken by the members have been mimeographed for distribution within the group. Because of inquiries received indicating a wider interest in the series, it is hoped that it will be possible to print the lecture reports in booklet form.

At the final meeting the study group presented Rabbi Burstein with an Eskimo sculpture in appreciation of the considerable effort he devoted to the sessions to make them interesting and highly informative.

Greetings On The New Year

by Bertram Laeb
President, Jewish Community Council of Ottawa

For Jews the world over 5718 was a time of general rejoicing for it marked a decade of Statehood in Israel. Canadian Jewry will have another anniversary to celebrate during the coming year — the bicentenary of the Jews in Canada. The Jewish community of Ottawa has further reason for commemoration for it was just 100 years ago, 5619 by the Jewish calendar, that the late Moses Bilsky settled in Ottawa.

During the century of Jewish life in Canada's capital, this community has become both a creative and flourishing example of positive Jewish living, and by its organizational character a model of dedication through unity. Our elders, in their wisdom, built a foundation which has reflected not only growth and development locally but contributions of brain and brawn to Israel, to less privileged Jews overseas, and to Canada as a whole.

Start Important Projects

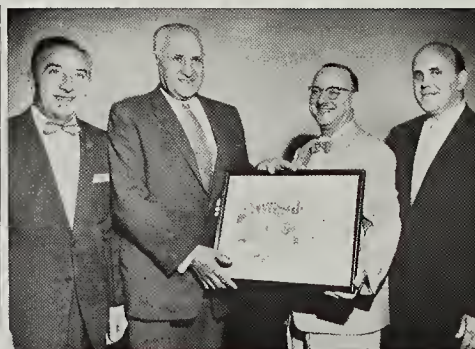

The year 5719 will see the commencement of the final phase of one important project and the start of others equally important. The simultaneous construction of two Talmud Torahs, a beginning of the West End Synagogue-Center, a central gymnasium, completion of the Community Center facilities, the Rideau View Golf and Country Club — all these augur well for the future of this community and deserve our fullest support, both materially and morally. It is hoped that these new facilities will attract more and new people to a greater degree of participation and that in proportion to what they receive, they shall contribute.

But our greatest challenge in the year to come will be that of meeting the problems posed by events in the Middle East. At no time in the past decade has the security of Israel and its political future been so uncertain and possibly Jews the world over have not fully grasped the full import of the situation. More than ever it is our responsibility as Jews and as Zionists to awaken our people to a renewed sense of responsibility for Israel's welfare, so that from that land we may continue to receive inspiration and spiritual nourishment for the years ahead.

Lillian Freiman Chapter Wins Progress Award

The coveted Lillian Freiman Award presented annually to the chapter showing greatest improvement and progress during the year has been awarded to the Lillian Freiman Chapter, according to Mrs. Lawrence Bilsky, President of the Ottawa Council of Hadassah.

Mrs. Barney Weiss, Chapter President accepted the trophy from Mrs. Bernard M. Alexander at the closing luncheon of the organization held at the Jewish Community Center.

ALEX BETCHERMAN GROVE OVERSUBSCRIBED

Alex Betcherman, distinguished Zionist and local community leader is shown accepting a citation from Myer N. Drizin, Treasurer of the Ottawa Jewish National Fund Council signifying that "a grove of one thousand trees has been planted in his honour in the Canada Forest in Israel by the Jewish Community of Ottawa, as a tribute to his leadership on behalf of all worthy causes and for the redemption of Zion." Pictured with them are David Zelikavitz, Chairman of the United Zionist Council of Ottawa and Bertram Laeb, President of the Ottawa Voad Ha'Ir.

FRESH SPIRIT FOR THE NEW YEAR

by Rabbi Samuel M. Burstein

A diver must surface to fill his lungs from time to time with an element less glamorous, less treasured, but more essential than the murky depths in which his pearls grow. Only in the light above can he accurately evaluate the treasure he grubs.

We must rise, we and all humans, from time to time, to evaluate our achievements, to refresh ourselves with the true sources of purpose and motivation, to learn to recognize true sparkle and freshness and wealth.

We begin our year in that spirit, with days of cessation from labor and gain, with a "day of abstinence from eating and bathing and anointing". We do not thereby derogate the needs of this world. The second phrase in the Fourth Commandment sanctifies and enjoins work. If we did not earn, we could not serve God's weaker creatures with charity. We would be ungrateful indeed if we did not cultivate to the utmost the bounty which God has given us.

"From Sabbath to Sabbath and from Month to Month" we emerge from the daily grind to enjoy the freshness and purity and truth of a different level of existence. We acquire protection against the "ecstasy of the depths" which confuses the upward with the baser destination.

May the reality of a realm whose values are more significant remain with us, in Ottawa and over the world, bringing fresh meaning into our mundane occupations during the year to come. May the spirit of God, of lasting values, enrich our lives in 5719.

The 1958-59 school term began on Tuesday, September 2 and all classes of the Talmud Torah and Day School have been in regular session since that time.

Some 56 children have been enrolled in the kindergarten class. This record enrollment has made it necessary to divide the class into two groups. Morning sessions are from 9:00 to 11:00 while the afternoon class meets from 1:30 to 3:30 p.m.

In view of the increased registration, two classes and the Day School lunchroom have been transferred to the Jewish Community center building.

Committee For Newcomers Ready to Serve

Since its formation two years ago, the Reception Committee for Newcomers has been responsible for introducing many new arrivals into the stream of community life.

Its members recognize that people moving into a strange city need a kind word and a friendly approach if they are to be made to feel welcome. Good results have been achieved through the personal contacts and the teas and social gatherings which the committee holds from time to time.

ORT Celebrates 10th Anniversary

The President of International Women's ORT, Mrs. Ludwig Kaphan was guest speaker at the Annual Culminating Dinner of Ottawa Women's ORT.

Mrs. Kaphan described the work of ORT on the international scene. The shocking living conditions of people in North Africa and Iran were largely responsible for trachoma and other diseases in those areas. ORT stepped in and set up an "Island of Safety" through its modern schools and dormitories.

Israel was described as the greatest area of ORT vocational training to-day. The high calibre of teachers trained by ORT in Geneva, Switzerland, is universally recognized. An ORT school graduation diploma is a greatly coveted prize, said Mrs. Kaphan. "In areas of 'displaced persons' this diploma is regarded as a visa to new lands, and a guarantee of self-support."

Paying tribute to the President of the Ottawa Region Mrs. Isaac Levine, the speaker commended the members for their efforts over the past ten years. A candle lighting ceremony followed the dinner to mark the 10th Anniversary of ORT in Ottawa, as well as the 10th Anniversary of the State of Israel.

Plans are now being formulated for the coming season and the annual membership tea will be held in the near future.

J.N.F. Certificates Apt Way To Mark Happy Occasions

The Jewish National Fund Council of Ottawa wishes to bring to the attention of the community that there are numerous occasions which can be appropriately marked by the presentation of J. N. F. certificates.

During the past year, it has become a custom to inscribe Bar-Mitzvahs in the Sefer Habarmitzvah at \$25.00, births in the Sefer Hayalet at \$10.00 and other events in the Golden Book at \$100.00. In each case, a beautifully inscribed certificate is issued. It is the hope of the Ottawa committee that J. N. F. certificates will become a part of every happy occasion in the lives of members of this community.

Arrangements can be made through organizational J. N. F. representatives or by contacting the local Council chairman, Max Kizell, PA 9-1139.

Director of Youth Activities

Opening Events

After an interesting summer schedule of activities, the Center Youth Department re-opened its doors on Tuesday, September 2. A complete program of events is already underway for the fall and winter season.

On Sunday afternoon, September 7, the opening Fall Tea Dance for members of the Teen-Tween Division was largely attended. These Sunday afternoon socials are a favorite with the teenagers, and so long as they attract a popular turnout, the Youth Department will be glad to sponsor them.

For the Young Adults of the community, last Sunday night the first Autumn Dance of the season was held in the Games Room. Dancing was enjoyed by the many young men and women present. Music was provided by Arni May and his Orchestra with Guy Wood in the vocal spot.

The Summer In Review

The Summer Youth Program at the Center proved to be a great success. Each night Sunday through Thursday, an increasing number of young people and teenagers were present to enjoy the informal programs in an atmosphere of fellowship.

Congratulations to Jerry Dermer who won the Men's Singles in the Table Tennis Tournament, and to Paul Cook and Jerry Dermer, winners of the Men's Doubles. Jerry and Paul were presented with suitably engraved trophies by the Community Center.

Wally Halpern, Jack Feldberg and Abe Nadrich did a splendid job of directing the games. Because of the great success which attended this tournament, similar competitions, will be planned periodically for the young adults as well as the teenagers.

I must make mention of the outstanding Awards Dance which started and highlighted the summer program. Gifts were presented to deserving club leaders while certificate awards were presented to all Group Presidents, for their excellent contribution to our youth.

Worthy of comment, too, is the visit to the Capital City, during July, of twenty-five teenage boys and girls from Poughkeepsie, New York. The Community Center entertained the youthful American guests, who brought away with them pleasant and fond memories of Ottawa and our Jewish Community.

Young Adult Division

An active calendar of events is being organized for the senior youth, which is comprised of the following youth groups: Young Adult Club, B'nai B'rith Young Men, Juniors of NCJW, Councils of NCJW, Hillel University Club and Negev Chapter of Hadassah. While these units individually conduct their own autonomous club activities, it is both fitting and desirable that their combined memberships assemble at the Center for specially planned occasions.

On October 1, a table tennis tournament will be held in the Games Room for the young adults. The age group includes young ladies of eighteen and over; young men, twenty-one and over. Attractively designed trophies bearing the ping-pong symbol, engraved with the winner's name will be awarded the lady and gentleman champions of the tournament.

Looking at Marriage

A series of six informative lectures on the all-important subject of marriage will commence on Sunday evening, October 12. All young men and women, whether

single or married, will gain a measure of knowledge by attending and participating in the lecture-discussion sessions. Experts in various related fields are being invited to lead the conferences, which will be followed by a dance social on six successive Sunday evenings, commencing October 12. Further details will be communicated to you as soon as the necessary arrangements have been completed.

Teen-Tween Division

Ranging in age between thirteen and seventeen, the teenagers of the community are identified with the following groups: Junior Congregation (Beth Shalom), Friendship Club (Girls), Kappa Iota Delta (Boys), Kinneret Chapter of Hadassah, Bytown Chapter of A.Z.A., Capitol City Chapter of A.Z.A., Golda Meir Chapter of B'nai B'rith Girls, Upsilon Lambda Phi (Fraternity), Alpha Lambda Phi (Sorority). The Councils of NCJW, Ottawa Section, because of their particular age group of 16 to 18, are at once eligible as members of the Tween Division or of the Young Adults Division.

Each fraternity or organization follows its own planned schedule of cultural, athletic, social and social service endeavour. A competitive spirit generally prevails among many of the units, often resulting in accelerated activity and achievement. All signs point to a banner year for the Jewish Youth of Ottawa during the 1958-59 term! SEE YOU ALL AT THE CENTER. Meanwhile, my very warm wishes to each and every one of you for a blessed New Year of good health, joy and of fulfillment in your program of youth activity.

Dedicates Center In Memory of A. J. Freiman

Lawrence Freiman, son of Archibald Jacob Freiman who was President of the Zionist Organization of Canada for a continuous period of 25 years, had the honour of dedicating a Community Center building in memory of his father during his recent visit to Israel.

The building stands midway between the picturesque villages of Bitan Aharon (named for A. J. Freiman) and Havatzelet Hasharon (named for Mrs. Lillian Freiman) in the beautiful Sharon Valley overlooking the Mediterranean Sea.

When completed, the Center will serve the residents of both communities for meeting and cultural activities of all kinds.

B.B.Y.O. Conclave Here, Sunday, September 21

The Ottawa B'nai B'rith Youth Organization is holding a giant conclave and rally at the Jewish Community Center on Sunday, September 21. Several active committees have been at work during the past few weeks planning various aspects of the program.

The conclave will begin with seminars in the morning followed by lunch and discussion groups in the afternoon. A gala dance with entertainment will take place the same evening.

Group leaders from Montreal and Burlington will lead the morning and afternoon sessions. The registration fee is \$3.00 and all local A.Z.A. and B.B.G. members are urged to attend.

Remember Us... For A Happy Life And Peace

... "IN THE BOOK OF LIFE, BLESSING, PEACE AND
GOOD SUSTENANCE MAY WE BE REMEMBERED
AND INSCRIBED BEFORE THEE, WE AND ALL THY PEOPLE,
THE HOUSE OF ISRAEL, FOR A HAPPY LIFE AND FOR PEACE."

This is the prayer you will say on Rosh Hashanah,
as Jews have for generations... not for yourself alone,
but your fellow Jews everywhere.

It has new meaning now, as two million men and women bravely build
the democratic state of Israel, open to every Jew fleeing oppression.

You can make it come true for thousands of Jews desperately seeking
to escape lands of terror, by your full support of the United Jewish Appeal.
